

BBRG FEE WAIVER FORM

BBRG is committed to ensuring access to all admitted scholars, regardless of financial means, to the best of our ability.

The majority of BBRG scholars visit with sabbatical, grant, or research funding, and the BBRG fees should be included in the request for institutional funding. If the BBRG portion of the fees imposes a financial hardship, please include this form along with your application, sending to bbrg@berkeley.edu. This information is for administrative use only and will not affect your admission. Available fee waivers will be extended to applicable scholars after the application process is complete.
