Project Title:

Academic Discipline(s):

Current Academic/Professional Affiliation:

Current Position (i.e. tenured or untenured faculty, visiting scholar, postdoctoral scholar, independent scholar, etc.):

Professional degrees, dates obtained, institutions, disciplines, beginning with the most recent:

Please describe your background in research on gender and women: (Please do not exceed 100 words):

Please briefly answer the following questions on a separate page:

1. What do you expect your research project will contribute to the study of gender and women?
2. Does your research engage with gender in its intersections with sexuality, race, ethnicity, class, nation, religion, postcoloniality, and/or transnational feminisms? If so, please explain.
3. How would your research or creative project benefit from your stay as a BBRG Scholar in Residence?
4. What would you contribute to the BBRG and to University of California at Berkeley?
5. Are there any specific individual faculty, departments, and/or other research centers at University of California, or in the bay area, that you would like to interact with while at the BBRG? (Please note that information about academic and creative resources at University of California at Berkeley can be found on the University's website).
